

Firefighters Ultrasound Screening

TO: Paramedics & Firefighters
FROM: Local 22 Health Plan
RE: Ultrasound Screening Event
DATE: March 30th – May 1st

The Firefighters & Paramedics Local 22 Health Plan will again be offering **Free Ultrasound Screenings Mondays through Fridays beginning Monday, March 30th and ending Friday, May 1st**. This event will be taking place at the Union Hall, 415 N 5th Street and the Screenings are offered to **ACTIVE MEMBERS ONLY**. We hope to offer **additional screenings to retirees later in 2020**.

THESE SCREENINGS ARE SIMILAR TO WHAT WE OFFERED IN THE SUMMER. IF YOU HAD THE ULTRASOUND IN JULY/AUGUST OF 2019 PLEASE DO NOT REGISTER AGAIN. YOU WILL BE DUPLICATING WHAT YOU ALREADY DID AND YOU WILL BE FILLING A SPOT THAT COULD BE AVAILABLE TO A MEMBER WHO WAS UNABLE TO PARTICIPATE THEN

We offer these tests because they can help check for kidney stones, liver disease and tumors, along with several other conditions, and are crucial for preventing a serious health crisis. Unfortunately, doctors are usually unable to prescribe diagnostic tests without symptoms. A screening test may locate blockages or restrictions in blood flow and indicates signs of potential strokes, heart attacks or aneurysms. Our screening partner, NDS, is a mobile screening company that is a certified cardiovascular lab. And they are the only provider from whom you'll receive a comprehensive evaluation of the major abdominal organs to detect serious illnesses such as Cancers and Tumors.

All tests are PAINLESS and we are including:

Thyroid
Carotid
Echogram

Abdominal Aortic Aneurysm

Complete Abdomen: spleen, liver, kidney, gall bladder
Bladder

Testicular for males

Pelvic for females
